INSTRUCTIONS

- 1. The full legal name and business address of the Principal shall be inserted in the space designated "Principal" on the face of this form. The bond shall be signed by an authorized person. Where such person is signing in a representative capacity (e.g., an attorney-in-fact), but is not a member of the firm, partnership, or joint venture, or an officer of the corporation involved, evidence of his authority must be furnished.
- 2. The penal sum of the bond may be expressed as a percentage of the bid price if desired. In such cases, a maximum dollar limitation may be stipulated. (e.g., "20% of the bid price but the amount not to exceed \$_______ dollars.")
- 3. (a) Corporations executing the bond as sureties must be among those appearing on the Treasury Department's list of approved sureties and must be acting with the limitations set forth therein. Where more than a single corporate surety is involved, their names and addresses (city and state) shall be inserted in the spaces ("A," "B," etc.) headed "CORPORATE SURETY(IES)" and in the space designated "SURETY(IES)" on the face of this form only the letter identification of the Sureties shall be inserted.
 - (b) Where individual sureties execute the bond, they shall be two or more responsible persons. A completed Affidavit of Individual Surety, for each individual surety, shall accompany the bond. Such sureties may be required to furnish additional substantiating information concerning their assets and financial capability as Fermi Research Alliance, LLC, may require.
- 4. Corporations executing the bond shall affix their corporate seals. Individuals shall execute the bond opposite the word "Seal;" and, if executed in Maine or New Hampshire, shall also affix and adhesive seal.
- 5. The name of each person signing this bid bond should be typed in the space provided.
