

# Checkout a Bicycle

1

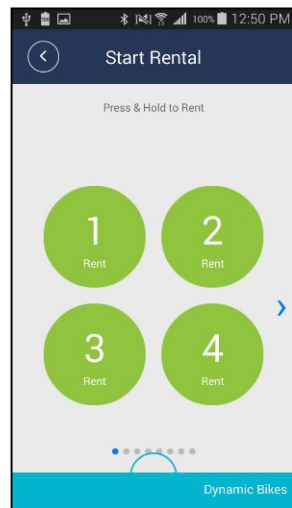

In the Movatic App, click a pin on the map for the bike station you want to rent a bike from. Press 'Rent a Bike Here'.

2

When at the station, select the bicycle you want to checkout and press the number corresponding to this bike.

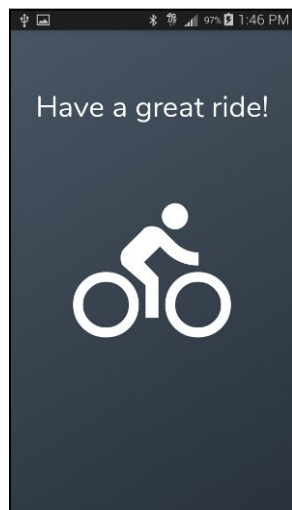

**NOTE:** You must be within 4-5 feet of the bicycle you wish to checkout.

3

Your phone will automatically use its Bluetooth to unlock the bike from the rack. Roll the bike away from the rack.

**NOTE:** Inspect bike. If any issues found, return bike immediately and report using the Report Problem feature in the App.

# Return a Bicycle
