

RELOCATION EXPENSE AGREEMENT

I, _____, agree that if my employment with Fermi Research Alliance, LLC (FRA) is terminated within twelve months of my appointment date due to my voluntary resignation, I shall repay FRA all moneys expended by FRA on my account for travel, transportation, and other allowances (including movement of household goods, if authorized) connected with my relocation. I understand that under such circumstances, such moneys are recoverable from me as a debt due to FRA. Such moneys will be deducted from my final paycheck to the extent allowed by law. Any remaining uncollected balance will be repaid by me directly to FRA. In the event such indebtedness is not completely satisfied by such means, FRA may refer the matter to the United States Government for collection, or FRA may initiate litigation.

In the event FRA initiates litigation to collect any moneys owed, I hereby authorize irrevocably any attorney of any Court of Record –

- a) to appear for me in that court;
- b) to confess a judgment without process in favor of FRA for the unpaid amount together with costs;
- c) to waive and release all errors which may intervene in any such proceedings; and
- d) to consent to immediate execution of the judgment of the court.

I hereby ratify and confirm all that such attorney may do by virtue of this authorization. I understand that by virtue of the authorization contained in this agreement, should FRA have to bring litigation to collect such moneys from me, I have hereby consented, without further notice being provided to me, to the entering of a judgment and order against me and in favor of FRA in the unpaid amount plus the costs of the court proceedings and FRA attorney's fees. I further understand that the judgment and order can be used to, among means of collection, enforce a garnishment of my bank accounts or wages until my debt to FRA is fully satisfied.

I further understand that my execution of this agreement is a condition to my receiving travel, transportation, and other allowances connected with my relocation.
